《We held the Nagasaki International Festival again this year for the 21st time!》

We held the 21st Nagasaki International Festival from 11AM to 4PM on Sunday, October 27th 2019, at the Nagasaki Prefectural Office. (First time at this new location)

The weather was great and we were fortunate enough to have almost 2,000 visitors in huge entrance hall area and outside area.

This event was the great opportunity for everyone to learn and understand the foreign culture from many perspectives through the total of 34 participated local International Co-operation & Exchange Groups which introduced their activities, food etc. at individual booths.

There was the "Put on a kimono and try Japanese tea ceremony" booth, which was visited by many people from foreign people to adults and children.

Everyone enjoyed selecting and trying on their favorite from all the kimonos with their beautiful colors. We hope we will see you again next year at the 22nd Nagasaki International Festival.

Common Inquiry

Q) I would like to open a bank account. What should I do?

A) You need your Residence Card, Passport, My Number Card (if you have one), your telephone number which a bank can contact you on and your personal seal. Some banks will accept your signature if you don't have it.

Some banks will require the applicant to be able to communicate with them in Japanese, while others will allow you to have someone who speaks Japanese for you.

Depending on the bank, some may require you to have been living in Japan for more than 6 months, while others will allow you to open an account shortly after your arrival in Japan.

There are many banks where you can open a bank account online on their English language website.

Note: To open a new bank account, your residence card must be valid for three months or more.

Check with the bank you wish to open an account as the conditions vary from bank to bank.

Please do not forget to cancel your account when you leave Japan.

Guide for Using Medical Institutions

This guide was made to assist foreign people when they visit the hospital so that they can feel less anxious. This guide includes lists of things you need when going to the hospital, types of hospitals, as well as illustrations of body parts and lists of symptoms to assist in explaining what's wrong. It also includes a medical questionnaire that should be filled out prior to visiting the hospital in order to make communication as smooth as possible. This guide is slim and compact, so it's easy to carry with you in the event of an emergency.
